Advanced Tactical Emergency Casualty Care for Patrol Officers

May 21, 2024

8:00 a.m. - 4:00 p.m.

Havana City Center

326 W. Market Street, Havana, IL 62644

This course meets the following mandated training requirements: Emergency Medical Response Training and Certification(4hrs), High Risk Traffic Stops (3.50hrs + 3.50 Scenario), Officer Safety Techniques, Including Cover, Concealment and Time (0.50hrs + 0.50 Scenario)

Course: This program covers Advanced TECC concepts and law enforcement application, as well as Officer-Citizen High Threat Casualty Extraction. Students will learn how to treat the most encountered wound patterns and how to plan and execute an officer or citizen rescue. Scenario-based exercises will allow each student to apply critical lifesaving skills in a dynamic patrol-based setting. Students are required to bring their duty belt/gear and wear clothing appropriate for **physically demanding scenario training**. Students will potentially be exposed to SIMS and simulated blood. If officers or departments have their own SIMS gear, as well as eye/ear pro, they are encouraged to bring it for use. Due to the hands-on nature of this training, course enrollment will be limited to twenty (20) officers.
