**Meets Illinois Mandates: Officer Wellness/Mental Health (6.50hrs)**

**COURSE OVERVIEW:** While the fundamental principles of financial success may appear straightforward, many of us still grapple with unnecessary stress, allowing our relationships to suffer as a result. Officer Wellness has emerged as a crucial aspect of the law enforcement profession, profoundly impacting individual officers and their families. This engaging program aims to empower officers, fostering a more seamless integration of financial success into their lives and, in turn, alleviating stress within officer-family dynamics.

This program is unique because it meets each individual where they sit in their current situation. Rarely is there a one-size-fits-all solution but this method of handling money is able to do that by relating to all and aiming to break the stigma that personal finance is complicated.

**COURSE TOPICS:** \*What is Financial Wellness/Personal Finance \*The Scary Truth & Statistics \*Tactical Steps 1-7 (budget, emergency funds, debt elimination, retirement, college savings, mortgage payoff, generosity) \*MISCONCEPTIONS, Myths, and Helpful Tips (credit score, millionaire study, marriage advantage, first responder discounts, and a Will) \*Summary & Personal Action Plan.

Throughout the day there will be interaction, polls, exercises, and discussion to maximize engagement.
